Monkfield Park Care and Learning Centre

Admissions Policy

Monkfield Park Care and Learning Centre aims to ensure that the Centre is accessible to children and families from all sections of the local community through a fair, open and clearly communicated admissions procedure.

Admissions Procedure

When a parent/carer contacts the Care and Learning Centre enquiring about a place for their child, they will be given information including a registration form. They will be informed of whether there is currently a place available for their child.

If a place is available and the child meets the admissions criteria, the parent/carer and their child will be welcome to visit the Care and Learning Centre and meet the staff. The parent/carer completes the registration and sessions required forms and agrees to abide by the Terms and Conditions. Attendance at the Care and Learning Centre denotes acceptance of the current Terms and Conditions.

Once this is done, the Care and Learning Centre will contact the parent/carer in writing to confirm the child's place and arrange a date for the child to start. At this stage, the provision of the settling in policy will come into operation.
