

OUR VISION

Monkfield Park will be an increasingly impressive setting where children and staff are well prepared to meet the challenges of life in a rapidly changing world. We will achieve this by:

- 1) Providing a rich curriculum whereby children make at least expected progress regardless of their starting points.
- 2) Ensuring outcomes at the end of KS2 will consistently exceed national expectations.
- 3) Giving every child the opportunity, regardless of their ability, to participate annually in sporting events, STEM events, musical events, the performing arts, and showcase their artistic achievements in our art gallery.
- 4) Providing pastoral care of the highest order which supports the whole school community and encourages parents and carers to be fully involved in the life of the school.
- 5) Ensuring all children are inspired to follow the Monkfield Way in their future lives and play their part in building a sustainable world.
